

Concert Attire

Unless otherwise specified, these are the concert attire guidelines to follow.

- Dress in colors as close to the five colors in our logo as possible. We don't expect them to match exactly, but do your best.
- Choose one or more colors in the logo (you are not expected to include all five).
- Try to avoid patterns, unless all the colors are similar to our logo colors.
- Outfits should be concert appropriate (business attire /semi formal.)
No jeans, rips, holes, brand logos, wording or illustrations.
- Bottoms: May be black or a logo color (black is only acceptable for bottoms, not an option for tops.)
- White: can be within a pattern, or white stripes or polka dots. Cannot be a solid white piece of clothing or the main or most prominent color.
- Top sleeves must cover the shoulder.
